STEP 1: Cut out the template pieces on this sheet. Trace them onto any paper you would like your hat to be made of.

STEP 2: Cut out the pieces you just traced onto your paper.

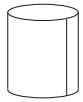

STEP 3: Fold the tips of the Hat Top along the dotted lines.

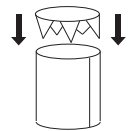

STEP 4: Cut the inside solid lines on the Hat Brim and fold the tabs up along the dotted lines.

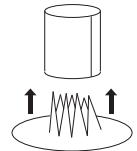

STEP 5: Roll the Hat Sides piece into a cylinder and adhere the ends together.

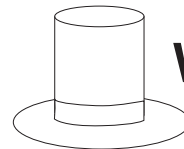

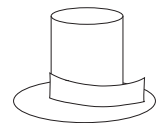

STEP 6: Place the tabs of the Hat Top inside the cylinder and adhere them to the sides.

STEP 7: Place the tabs of the Hat Brim inside the other side of the cylinder and adhere them to the sides.

STEP 8: Use a ribbon or accent piece of paper and add it to the base of the hat just above the Brim.

VOILA!
